

**ARKANSAS STATE HORSE SHOW  
CAMPERS-TACK TRAILERS-VEHICLES**

**1. CAMPERS**

- A. Campers will pay \$25.00 per night per space used.
- B. All campers will park in areas designated on map with proper number per area.
- C. Campers will plug into **red outlets only**- these are marked to run campers.
- D. No campers are allowed to plug into outlets on or in barns or buildings.
- E. All campers must use the following type of cords only, if cord does not meet these specs or is not in good shape do not bring it.
- F. You can not run a cord from red outlet (supply) then add 5 more cords to the end, there is not enough power to do that.
- G. All of the above items will be monitored by ALSA security staff. Anyone caught not following the rules will be asked to unplug and not use the facilities.

**2. TACK TRAILERS**

- A. Tack trailers will be allowed to plug into blue outlets on outside of barns only. Rate will be \$15.00 per day.
- B. These trailers must be in area designated on the map for this usage only.
- C. These trailers must also use same type of cords set aside in 1:E above.

**3. VEHICLES**

- A. All vehicles must not be parked in roadways or fire lanes at anytime.
- B. Any vehicle having to be towed may be picked up at compound in front of the Hall of Industry for a fee.
- C. No four Wheelers, mopeds, or golf cars will be allowed on fairgrounds.

**4. MISCELLANEOUS NOTES**

- A. All purpose outlets inside barns are for use in building only.
- B. All power outlets on outside of buildings (red) or (blue) are for camper or tack trailer use only.
- C. Remember one power outlet will only run so many items at once, so be more careful of what you try to run off a single (110) outlet.

Thank you,

Operations Manager
